**Brookfield Global Infrastructure Securities Income Fund  
Establishes At-The-Market Equity Program**

**TORONTO — July 23, 2021—** Brookfield Global Infrastructure Securities Income Fund (the “Fund”) (TSX: BGI.UN) is pleased to announce its at-the-market equity program (the “ATM Program”) to allow the Fund to issue units of the Fund (the “Units”) having an aggregate sale price of up to \$25,000,000 to the public from time to time, at the discretion of Brookfield Public Securities Group LLC (the “Manager”). Any Units issued will be sold at the prevailing market price at the time of sale through the Toronto Stock Exchange (“TSX”) or any other marketplace in Canada on which the Units are listed, quoted or otherwise traded.

The volume and timing of distributions under the ATM Program, if any, will be determined at the Manager’s sole discretion. The ATM Program will be effective until March 10, 2022 unless terminated prior to such date by the Fund. The Fund intends to use the proceeds from the ATM Program in accordance with the Fund’s investment objectives, investment strategies and investment restrictions.

Sales of the Units through the ATM Program will be made pursuant to the terms of an equity distribution agreement dated July 23, 2021 with National Bank Financial Inc. (the “Agent”).

Sales of Units will be made by way of “at-the-market distributions” as defined in National Instrument 44-102 *Shelf Distributions* on the TSX or on any marketplace for the Units in Canada. Since the Units will be distributed at prevailing market prices at the time of the sale, prices may vary among purchasers during the period of distribution. The ATM Program is being offered pursuant to a prospectus supplement dated July 23, 2021 to the Fund’s short form base shelf prospectus dated February 10, 2020. Copies of the prospectus supplement and the short form base shelf prospectus may be obtained from your registered financial advisor using the contact information for such advisor, or from representatives of the Agent, and are available on SEDAR at [www.sedar.com](http://www.sedar.com).
