Shares purchased on or after the ex-distribution date will not receive the distribution discussed above.

Repurchase Request Deadline is the date by which the Fund must receive repurchase requests submitted by shareholders in response to a repurchase offer or withdrawals or modifications of previously submitted repurchase requests for such repurchase offer.

Repurchase Pricing Date is the date on which the Fund determines the NAV applicable to the repurchase of the Fund's common shares.

Repurchase Payment Deadline is the date by which the Fund must pay shareholders for any common shares repurchased.

Please contact your financial advisor with any questions. Distributions may include net investment income, capital gains and/or return of capital. Any portion of the Fund's distributions that is a return of capital does not necessarily reflect the Fund's investment performance and should not be confused with "yield" or "income." The tax status of distributions will be determined at the end of the taxable year. If the distribution paid is greater than net investment income then the distribution may be classified as return of capital.
