

## Brookfield Investment Funds

---

Enclosed is the 2024 Tax Form for your account with the Brookfield Investment Funds. The Form provides information on any applicable 2024 distributions and proceeds from redemptions. Please note that all information contained in this Statement has been provided to the Internal Revenue Service. In addition to the tax information provided on your enclosed Tax Form, below is supplemental information to assist you with the preparation of your 2024 income tax returns. Please consult your tax advisor for the specific application of any items below relating to the preparation of your tax returns.

### **Income from U.S. Government Obligations**

Some states do not tax their residents on income from a mutual fund that is earned from U.S. Government Obligations. The following table shows the percentage of total ordinary income dividends shown in Box 1 of your 2024 Tax Form that were attributable to interest earned from direct U.S. Government Obligations:

<b><u>Fund Name</u></b>	<b><u>% of Ordinary Income Attributable to Direct U.S. Govt. Obligation (see Box 1)</u></b>
Oaktree Diversified Income Fund Inc.	0.53%

Depending on your state's personal income tax laws, you may be entitled to declare the above portion of your 2024 ordinary income dividends (Box 1) as tax-exempt income on your state personal income tax return. However, some states do not allow the "pass through" of this exempt-interest income unless the percentage earned from U.S. Government Obligations exceeds certain thresholds or unless other requirements are met. Please consult your tax adviser or state authorities if you have any questions regarding the percentage of income you can exclude when calculating your state income tax.

### **Income from Foreign Sources:**

- 1) For the year ended December 31, 2024, the Brookfield Funds earned foreign source income. The amount of foreign source income can be calculated as a percentage of your ordinary dividend shown in Box 1 of your 2024 Tax Form. Please see the information below for your foreign source gross income amount.

<b><u>Fund Name</u></b>	<b><u>Foreign Source Gross Income (Use % listed below and apply to Ordinary Income as shown in Box 1 to compute)</u></b>
Brookfield Global Renewables & Sustainable Infrastructure Fund	65.76%
Oaktree Emerging Markets Equity Fund	97.63%
